

Music Information

Attached are documents outlining how to register for and log in to our online music class. Students will need to make an account (save your login information) and use the appropriate class code to join the correct grade level class. Grade level codes are as follows:

Kindergarten: BXPS6

1st Grade: SWV73

2nd Grade: PX8RW

3rd Grade: SKSGG

4th Grade: 7JL4J

After logging in, students will be able to click on the assignments tab and locate the activity on the left side of the screen. After clicking on the activity, a green launch button should appear. Students and parents will then be directed to the activity or lesson for the day and will then be prompted to click on different tabs or buttons on the screen to complete the lesson.

After completing the lesson, students are encouraged to go back to the main page where they clicked on assignments and explore the other interactives available.

All questions or problems should be addressed to owensa@danville118.org
